Parents, guardians and students should reference the Launch Important Dates Document (see page two) for drop date and marking period information.

ACADEMIC PERFORMANCE POLICY

- Following the 20th day of the semester, the Launch office generates a weekly report of students failing 3 or more courses.*

**Note: Failing 2 or more courses on a 4-block schedule.*

- These students will be monitored academically for the remainder of the marking period. Guardians will be notified by Launch staff.
- Students who are no longer failing 3 or more courses* at the end of the marking period will be removed from academic monitoring.
- Students who are failing 3 or more courses* at the end of the marking period will be suspended from Launch programming.
