

What to Expect from MOCAP

Once you've considered which enrollment option best fits your student, it's helpful to understand how MOCAP courses work and what students can expect academically.

MOCAP Courses

- MOCAP courses align with Missouri Learning Standards or other national or program standards, including Advanced Placement.
- Courses are designed to support a wide range of student needs and interests.

Course Catalogs

- ***With Instruction Catalog:*** Teacher-led courses taught by Missouri certified teachers. All certifications are verified by MOCAP staff to ensure compliance with program requirements.
- ***Curriculum Only Catalog:*** Content without a teacher. District approval and a Missouri certified teacher are required.

Enrollment Timing

- MOCAP accepts enrollment year-round.
- Most providers close enrollment once a semester begins.
- Course availability may be limited if enrolling after a term has started.
- Families are encouraged to contact providers early.
