2026-2027

“Together We Provide the Foundation for Lifelong Learning”

MOLA is operated by the Thayer R-II School District and staffed by Missouri-certified teachers who deliver instruction aligned with Missouri Learning Standards. Our virtual format offers families the flexibility to learn at times that work best for them. With that flexibility comes the importance of student responsibility and family support to help students stay engaged and on track. As a Missouri public K–12 school, MOLA follows all guidelines set by the Missouri Department of Elementary and Secondary Education.
